Inclusion and diversity

Collingwood English Language School is a major provider of the New Arrivals Program in the North Western Region. It is a combined primary and secondary school, which provides full time, intensive English courses for eligible newly-arrived migrants and refugees prior to their enrolment in a mainstream school or further education.

The main aim of the school's program is to provide a cooperative and supportive learning and working environment to enable students to develop the language and skills they require to move successfully into mainstream schooling. Collingwood English Language School is committed to building on what students know, taking account of different learning styles and rates of learning. A secondary aim is to introduce students to Australian society and culture. The school values the diversity and richness of cultures represented in the school and implements policies that support the provisions of racial and religious tolerance, sexual harassment and equal opportunity legislation.

Underpinning all school policy is recognition of the importance of developing self-confidence, respect for the rights of others and self-responsibility, as well as promoting sensitivity and tolerance as characteristics of school life.

The Collingwood English Language School environment promotes success and achievement and is responsive to the wide range of needs of the school community.

Collingwood English Language School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Collingwood English Language School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Collingwood English Language School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Collingwood English Language School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg concerts, graduation ceremonies, camps, excursions, incursions) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Collingwood English Language School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Collingwood English Language School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact the school's wellbeing team for further information.
